Dear General Eddy:

Thank you for the very kind remarks in your letter of 11 October 1949. Reference your request for a Central Intelligence Agency representative to  speak on the organizations and functions of this Agency on 11 May 1950,  this far in advance it is impossible to say definitely who will be able to make the trip. If my schedule will permit, I shall be delighted to give the talk. However, you may be assured that someone from the Agency will be present to speak to the students of your specialized intelligence class and that I shall communicate with you well in advance of the scheduled date and give you the name of the individual who will come.

Sincerely,

Signed & dispatched 10/17
